

# Christmas in the Cotswolds

## 2023 PROGRAMME

# WHY SPEND THIS CHRISTMAS IN CHELTENHAM?

---

During the holiday seasons, the English countryside is transformed into a winter wonderland. Towns and villages are decorated in lights, people spend quality time with friends and family, and shops sell Christmas gifts and food.

**This year, we are inviting a limited number of students to come and study at inlingua Cheltenham over the holiday season.** In addition to English lessons, they will get to experience the traditions and customs of the holiday season. They will also visit some of the best tourist destinations in the region.

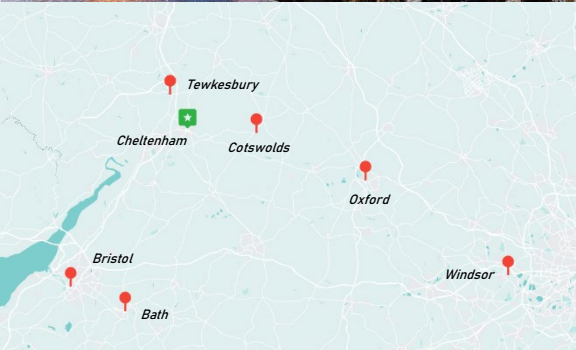

If your clients are looking for an unforgettable holiday season, they need to enrol at inlingua Cheltenham for our **Christmas in the Cotswolds Programme.**
