

# Mini Stays and Study Tours 2024 PROGRAMME

# WHY CHOOSE INLINGUA CHELTENHAM?

---

For 30 years, inlingua Cheltenham has welcomed individual students and groups from around the world to study at our beautiful campus. We pride ourselves in offering an amazing experience that students will remember for years to come.

But why choose inlingua Cheltenham over other language schools?

There are many reasons to come to inlingua Cheltenham. Here are three:

- 1. Education**—We were voted the 3<sup>rd</sup> best language school in the world by one of Japan's largest agencies. Our curriculum focuses on developing all 4 English skills: reading, writing, speaking and listening.
- 2. Location**—Cheltenham sits right on the border of the Cotswolds, an area of outstanding natural beauty. Major cities like London, Oxford, Bristol, Birmingham and Cardiff are only a short trip away, meaning students can enjoy the best experiences that England has to offer.
- 3. Security**—Cheltenham was voted the safest place for language courses in *El Gazette* 2018. With a low crime rate and accessible public services, Cheltenham is the perfect town to visit in England. Parents can rest easy knowing their children are taken care of during their studies.
